CLASS

OF 2007

Mrs. Barbara Bourque

Senior year is a busy year for all. There are a large number of events that need to be coordinated, including Senior Dinner, Graduation and Prom. Each of these events require hours upon hours of planning and preparation. One person in particular plays a large role in this process. Without her assistance in finding decorations, choosing menus, designing invitations and ordering supplies, our senior year would not have been half as memorable as it has been.

In addition to coordinating events, this person works hard everyday, giving her all to the senior class. Any student that enters the House Office is immediately greeted by her smiling face and friendly disposition. She treats every student with the same kindness and attention she would give her own child. This person is loved and respected by the graduating class. So, as a token of our appreciation for all of this person's effort, the Yearbook Staff would like to dedicate the 2007 Mirror to Mrs. Barbara Bourque.

Mrs. Johanne McIvor

A true teacher is one who teaches not only in the classroom, but in life as well. There is one person in particular whose lessons have helped many students change from the nervous and self-conscious freshmen we were to the mature adults we are today.

She graduated from Michigan State and has been a music teacher for thirty seven years. Dedicating her life to her love of music, she directed various musicals, shows, and choirs, sharing her passion with many students.

When she announced her retirement to her students at the beginning of the year, they were truly upset because she is one of a kind. There were still so many students who have yet to share her wonderful gift and talent of being a teacher. Being a good teacher, she used her retirement as an opportunity to teach a lesson. An end should not be a mourning. Rather, it should be a celebration of the wonderful times that have happened. Her students will carry that lesson and many others throughout every aspect of their lives. This is why I am honored to present this year's Mirror Dedication to Mrs. Johanne McIvor.

Varsity Football

Led by twenty-two seniors and a strong junior class, the varsity football team finished the season ranked ninth in the state with a record of 8 wins and 2 losses. A powerhouse defense, considered by many to be the best unit in the state, was lights out all season and stable outside running backs led the Hawks to their highest win total in six years. The Hawks finished second in the Greater Boston League with a conference record of 6 and 1, including wins over Cambridge, Somerville, and a dominating performance against Malden on Homecoming. As usual, the Hawks played one of the states toughest schedules, including games against Bridgewater-Raynham (ranked 15th), Xaverian (ranked 1st, Catholic Conference Champion), Brockton (Big Three Champion). The trademark win of the season came against long time rival Brockton on Thanksgiving. The 7 - 0 Waltham victory encapsulated the entire season by highlighting Walthams stout defense and exceptional running game. The Hawks had nine GBL All-stars, including first teamers Jim Sweeney, Dave Melchiorri, Spiro Siannas, Nick Taylor, Brian Sweet and second teamers Mike Waters, Mark Sweder, Mark Gately, and CJ Mula. The Hawks will be back next year with yet another strong team, led by returning starters Don Hopkins, Steve Hopkins, Chaz Agrillo, Mike Ducet and talented sophomores Neco Zayas and Tyler Rinck. Good luck to next year's team!

Football Cheering

The cheerleading squad had an overall exceptional season. Starting with captains' practices in August, the team came together and was ready for anything. Starting at the Beverley Invitational, we placed first which was a big feat. This got the team ready for what was ahead: GBLs. Every practice brought about new achievements, which allowed the girls to place their sights high. At GBLs, the competition was extremely tough. However, we pulled through placing third as we advanced to regionals. Unfortunately, regionals brought about disappointment. The team held together and finished the season on a high note. Next year there will be a new head coach leading the team. There are ten graduating seniors including Joanna Cardarelli, Jessica Aiello, Jennifer Fraser, Danielle Martin, Jaclyn Calnan, Marisa Nutile, Amanda Nutile, Allyson Izzo, Jasmin Washington, and Nuria Martinez.

Not enough can be said for the boys soccer team this year. Leadership, cooperation, great coaching, and teamwork all came together this season. Under third year coach Kelvin Bernard, senior captains Mark Kudlate, Chris Healy, Samson Kiberu, and John Coutoumas lead to the teams first state tournament appearance since 2000. There were a number of standout freshmen this year and two Greater Boston league all-stars in Byron Vasquez (goalie) whose goals per game averages out to less than one, and Jamie Gonzalez who had a huge first year. Look for leading scorer Justin Lettelier to have a huge season next year along with key players like Josue Teo and Rudolpho Alverado. From all the seniors thank you all for a great season we'll remember you forever.

Girl's Soccer

The Waltham Lady Hawks varsity girl's soccer team finished the season with an over all record of 9-6-3. The team will be graduating seniors Justine Kane, Jen Davis, Ashlee Rossi, Christine Cinar, Carly Arico, Jen Nicoloro, Captain Dory LeCount, and Captain Gina Uttaro. This year the high-spirited atmosphere was terrific as the girls conveyed a strong sense of chemistry both on and off the field. Though this year was unusual for not having double-digit wins, the Lady Hawks still had some amazing games that will be remembered. Their inspiring efforts up at Peabody, as well as their 1-0 win against Cambridge the last game of the season were both exciting memories for the 2006 team. Captain Gina Uttaro led the team in scoring up front, while Captain Dory LeCount along with Laura Piantedosi, Trisha Vasquezi, and Jen Boyd held their ground with a strong defensive line in the back. Laura Whittemore also had an unbelievable season in the net after stepping up to the unfamiliar goalkeeper position in the beginning of the season. Unfortunately, the Lady Hawks lost in their first tournament game to Lexington. Next year the team will be returning with a mostly senior dominating team and hoping to continue the success the Lady Hawks have had for years. Head Coach John Maguire and assistant Coach Brenda Burke are thrilled with the hard work of the 2006 team and are excited to jump back into the fight with the 2007 team. Good luck next year ladies! Fire up the Hawks!

The 2006 golf team had a great season even though it may be considered a rebuilding one. The team lost many seniors, including our top two golfers and previous captains; Brandon Hagopain and Jeff Leblanc, along with John Battaglino, John Sullivan and Kevin Stone. The team was lead by co-captains, Senior Matt Pescatore and Junior Luis Burgos, with a strong presence by many returning players such as Billy Keating, Timmy Doolin, Michael Oliveri, and Mary Botte and Chris Annunciata who constantly stepped up to challenges in our practices and matches. As a team we were able to finish with a record of 5-6, (5-2 in the GBL). Also, Co Captain Luis Burgos, Michael Oliveri, and Billy Keating represented the Waltham Golf team at the Sullivan Tournament, Burgos and Oliveri were placed in third place in the GBL Tournament. The success that the Golf Team accomplished cannot be spoken about without giving the credit to our Coach, Russ Sorin. Our coach would never give up on us. He made great efforts to improve us individually as an athlete; helping us with our swing, stance, and position. I speak for the whole team when I say he is not just a coach, but a friend who you can approach without hesitation. Overall, the 2006 Golf team's season could not have achieved what we have without the guidance of our coach. I would like to wish the team the best of luck next year.

The Waltham Lady Hawks field hockey team came to a close with a final record of 10-3-4. Led by head coach, Denise Nugent, and assistant coach, Paul Centofanti, the Lady Hawks were able to once again lead a successful season. Although we lost several outstanding seniors from last season, the Lady Hawks came together and worked hard as a team to once again win the GBL Title, as well as qualifying for the state tournament. As we were able to gain home field advantage, the road to the tournament was a tough one. While successfully starting the season off with a five-game winning streak at home, tough times were ahead of us with some ties and losses at away games. Unfortunately, the season came to an end with a 1-0 loss against Amesbury in the tournament. We had five amazing seniors: Tri-Captains Britney Mula, Donna Le, and Katie Cedrone, as well as Pinkey Shah, and Liz Donlon. Britney, Pinkey, and Katie held down the defensive line while Donna and Liz dominated the offensive end. The leadership of these five seniors, both on and off the field, helped to contribute to the overall achievement that the Lady Hawks made this past season. We wish the team nothing but success next year; play hard and beat Arlington! Take it home ladies!

Cross Country

Almost all of last year's runners returned, but this year's team lost one very valuable person: their coach. English teacher and head cross country coach Laura Headrick had to leave her position halfway through the season to pursue her Masters Degree in England. Luckily she found a great replacement in Liz Kenney, who, along with volunteer coach Greg DeMeo, guided the squad to another solid season. Our team was led by a dedicated pack of seniors, and helped by a talented underclassmen group. The team finished a strong 4-3, putting up strong competition against league leaders Peabody, Cambridge, and Somerville. We've made huge progress as a team this season and in the past few years, and the future looks bright for Waltham cross-country.

Coming into the 2006 fall season, no one expected the girls volleyball team to record any impressive wins or extend their stay into the tournament, but that's just what we did. Falling into a rut at the beginning of the season due to a lineup change, the Lady Hawks soon picked up the pace winning four consecutive games without dropping a single match. We finished the season 13-7 (9-3 in the GBL) pulling off the biggest upset of the year, bringing down GBL leading Peabody for their only league loss of the season. The Lady Hawks were lead by tri-captain Kim Canty, controlling the backrow defense; tri-captain Priya Patel, leading plays and setting up the offense; and tri-captain Tara Burke, firing the offense as outside hitter. Seniors Christine Jankowicz, Catherine Shea, and Nyssa Bryant contributed to the team's success. We've had a memorable four years and hope the volleyball team continues to build on its accomplishments.

The Waltham Varsity Hockey team went above and beyond the expectation of the city in the 2006-2007 season, following a previous season of major disappointment by not winning the Greater Boston League or making the tournament for the first time in a decade. Our head Coach John McGuire and assistant Coach Danny Doyle lead the team to a winning record of 20-5-1, setting a school record for most wins in a season since 1933. The Hawks ended up clinching the GBL with an 11-1 record only losing to Arlington at home. The Team earned the respect of the MIAA by qualifying for Super 8, Division 1A tournament getting the ninth ranking in the state. Despite losing to Central Catholic 3-1, the hawks flew into the D1 tournament and beat Arlington Catholic 4-3, and Winchester 3-2. The team, however, fell short with a loss in the North Sectional final to Woburn 4-2 in a close and hard fought game, where seniors Justin Gauvin, Nick Cummings, Sean McGurrin, Paul Despres and Dave Hache played their final game in a Waltham Hockey Uniform. The year was filled with tons of laughs during the twenty six hard fought games and the 2007 Waltham Varsity Hockey team will always be remembered.

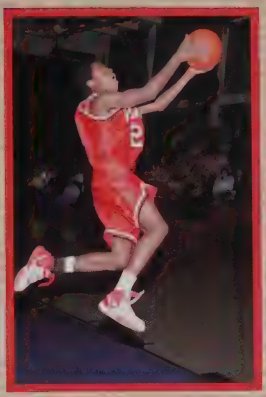
-Justin Gauvin and Nick Cummings

Girls Hockey

Waltham's 2006-2007 girls varsity hockey team had a great season. This year we finished as GBL Champions and went our furthest in the State Tournament. Our most successful game was versus Barnstable, the second round of the tournament. Even though we lost, we were able to hold them 2-0 with our starting center in a cast. After winning the entire tournament, Barnstable was still upset they were not able to beat us by more. Luckily, the Hawks are not losing any senior players this year, which will certainly be beneficial for the upcoming season. Myself and Assistant Captain Samantha Comier will have the help of eight other upperclassmen to lead our young yet capable team to victory next year. Good luck Kristen Dooley, team manger, at Northeastern next year! You will be missed!

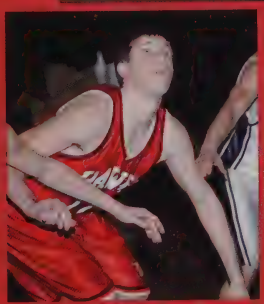
-Katie Monaghan

Boys Basketball

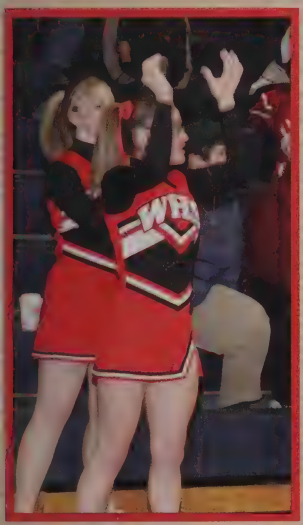


Going into the 2007 basketball season, the Boston Globe predicted that the Waltham High boys basketball team would be lucky to win three games. However, through the great coaching of Joe Cacciatore, Jack Cox, and Steve LaForest along with great senior leadership, the Hawks won four of their first six games. During the middle of the season, the team appeared to hit a rough spot and senior captains Mark Gately, Patrick Antoine, and Spiro Siannas, as well as teammates Dan MacPherson, Dave Melchiorri, Matt Banks, Jonathan Keyes, Louis Cimorelli, Shahan Khoshafian, Sidney Louissant, and Corey Nocera, could not seem to right the ship. The Hawks showed great character by never quitting and this kept the Waltham faithful filling the gym, regardless of the team's record. The future looks very bright for the Hawks with five underclassmen returning to the scene next year. From the graduating seniors, we would like to be the first to wish the team good luck for next year and remember to play hard and never quit. It was great watching you guys grow and we look forward to seeing you play in the coming years.

-Spiro Siannas



Basketball Cheering



The 2007 Basketball Cheerleading season was an unforgetable experience. The team was great, and they did such an awesome job, we had so much fun together. This year we had a new coach Lauren Bakaysa, she's an amazing coach full of spunk and energy. The team would not have been possible without her. From start to finish the team progressed with high hopes. I wish all the underclassmen the best. As to the four seniors Leandra Gouin, Melissa Correia, Alexandria Kuchera, and Captain Amanda (MJ) DeGouff, best wishes with college!

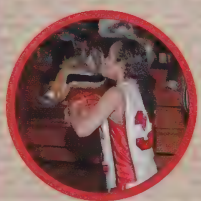
The Lady Hawks Girls' Basketball team came into the season as a young team, losing seven seniors. Led by tri-captains Britney Mula, Renee LeBlanc, and Sabrina Ruffin, the team ended the season just short of the post-season. Although our record does not show the strong performance displayed all season, the Lady Hawks battled a season of injuries and achieved several goals. This year we made history by winning the Newton Rotary Holiday Tournament for the first time. With a talented group of underclassmen, next year's team should continue its success.

-Britney Mula



Wrestling

Under first year coaches Jeff Cincotta and Paul Casey, the Hawks Wrestling team once again finished the season with a winning record of 15-7. The Hawks handily defeated league opponents Malden, Arlington, and Cambridge to claim the GBL title for the fourth consecutive year. Looking back at the season Waltham had a number of acknowledgeable performances and wrestlers. The Hawks had an all time high of ten wrestlers place at the division 1 central sectionals qualifying them for the division 1 state tournament. Of those ten, senior captain Drew Jacobs gained his first sectional title while John Coutoumas who accomplished it for the third year in a row. Other notable performances were by seniors Eddie Leblanc, Michael Monoghan, and first year wrestler Scott Giacomozzi who all advanced to the division 1 state tournament. Standout freshmen Joey Catino and Chris Annunciatta also qualified along with Jimmy.

Last year, the Waltham Boys Indoor Track team went defeated with a 0-7 record. This year, when we won our first meet, it was considered luck. When we chalked down our second, maybe we had something going. But after winning our third consecutive meet, everyone was convinced we weren't the team of the past. We finished 4-3, led by many seniors, particularly Stephen Gross and Barnaby Chery. A lot of personal records were accomplished, both in the long and short distance races, as well as in the field events. Plagued with injuries and overbearing fatigue, the track team limped into the GBL championships where more personal records were broken. We finished fourth in the league amongst powerhouses such as Cambridge and Peabody. The 06-07 Indoor Track team will be graduating seniors Kerwin Vega, Nick Kacher, Stephen Gross, Evan Porter, Brad Desai, Josh Mos-Def Jones, Gardy Jean-Francois, Jamal Bryant, and Barnaby Chery. We'll show no remorse to our opponents this outdoor season, as we'll be competing for the GBL title. Good luck to our underclassmen as we hand them the torch. Dont Sleep!

This year's Indoor Track season was one to remember as the team captured a share of the GBL title for the first time in the sport's history. With a group of experienced upperclassmen returning and a handful of talented freshmen, Waltham quickly became "the team to beat". Starting off the season with important wins over Cambridge and Somerville, the showdown for the GBL title arrived in the meet versus Peabody. Trailing from behind throughout the meet, Waltham came from behind to tie with a dramatic win in the ending relay. With emotions running high, the tie felt more like a victory! Hopefully the team can continue on its success in the upcoming years. Good Luck to next year's team!

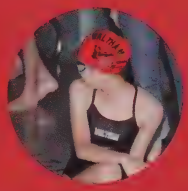
Led by senior captains Ashley Saia and Brianne McGann, the Waltham High Swimming and Diving Team had yet another outstanding season as they went undefeated in their league and became GBL Champions for the second year in a row. The hard work and dedication put into the team made the season one of the most successful.



Skiing

The WHS Ski Team successfully weathered through a snowless season and late opening at Blue Hills. We were forced to hold our races at Ski Ward and Wachusett, having 8 races over a 2 week period! However, even with all of the schedule changes, WHS still managed a successful season which culminated in sending senior Dory Lecount and freshman Danielle Scanlon to the state championship at Berkshire East. Also, senior Mark Kudlate improved upon his personal racing times with each race and therefore had a terrific season, as did the rest of the team. -Coach Marianne Genova

The 2006-2007 ski team led by Mark Kudlate and Dory LeCount did fairly well considering the small size of the team and unfavorable conditions of the season. On the girls side, after the graduation of three important racers, only two racers remained, with the addition of one freshman. However, only two out of the three girls were able to compete due to injury. Freshman Danielle Scanlon placed 8th in the league with a total of 258 points, and Senior Captain Dory LeCount placed 23 in the league with a total of 157 points. Both girls made it to the States as individuals. The boys finished off the season with a total of 202 points with more than half the points earned by freshman Jared Taber, who received 107 points for the team. Senior Captain Mark Kudlate was next for the boys earning a total of 54 points. Coach Marianne Genova, and manager Sam Huff, sophomore, kept the team in high spirits despite the constant time changes and rescheduled races. Luckily the league managed to hold all eight races despite the unusually warm weather.

The overall varsity record this season was a tough 3-15. Led by Coach Duffy and assistant Coach Lucchetti, we experienced our toughest losses in a handful of games which started off strong, however ended in the other team's favor during the second half. The team was led by captains Michael Monaghan and Junior, Mark Benoit who were two important components to the defensive line. Seniors, who along with the captains helped the defensive line were Matt Pescatore and Al Di Giacomo. The offensive line was dominated by Justin Gauvin, Kevin Aiello, and Mark Kudiate. We played hard and did our best but sometimes it just didn't work out. The seniors had an especially good year although the record did not reflect it. There were no real weak links so the team should do really well next year due to the amount of players with varsity experience coming back. My advice to the team is to play hard and take advantage of the opportunities given to them. Good Luck.

The girls lacrosse team had a very successful year. With a final record of 13-7-1 we were able to not only make it into the tournament, but were seeded eighth and had a home game. Our first tournament game we won against Lexington and from there moved on to take on Framingham. Although our season stopped there, what it took to get to the second round of the tournament was hard work and dedication throughout our regular season. With seniors like Marisa, Johnna, Amanda, Ashlee, Joanna, Melanie, and Captains Ashley and Katie, the team had great leadership. Not to mention an impressive coaching staff with Kristina as head coach, Liz as an assistant and freshman coach, Mandy as a defensive coach, and Gennie as an assistant and JV coach. With our staff and talented team we were able to beat Lexington for the first time ever, and teams like Medford, Cambridge, and Peabody. Our season ended great, and we wish the same for the girls next year. Good luck!

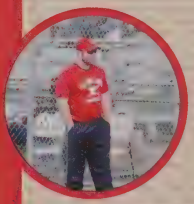
It was a season to be remembered for everyone in the Waltham High Baseball program, finishing the season with an overall record of 13-9. With first year varsity head coach Steve LaForest, no one quite knew what was to come of the 2007 season. After a borderline shaky first half of the season, the Hawks came together and decided they wanted a change. Senior captains Bryan Santospago and Drew Jacobs lead the team with help from junior leaders Chaz Agrillo, Steve and Don Hopkins, to win 5 of their last 7 regular season games including big finishes over Xaverian and Newton North. The Hawks would enter the post season with a 12-8 record and after perhaps the most exciting game all season, would beat Haverhill to become the first Waltham High team to win a post season game in 9 years. The Hawks were honored with three league all-stars and the 2007 player of the year, Bryan Santospago. Despite losing five seniors: Bryan Santospago, Drew Jacobs, Paul Despres, Tom Vautour and Brett Sawin, coach LaForest will still have his hands full next year with upcoming talent such as Juniors Don and Steve Hopkins, Chaz Agrillo, and freshman Ivan Colon. Special thanks from the players to coach LaForest, McMahon, and Champion; it was a season to be remembered for all of us.

-Drew Jacobs



Softball

The 2007 Lady Hawks Varsity Softball team started off its season with high hopes of qualifying for the GBL tournament. We turned a lack of players into a positive aspect, and players on each the JVB, JVA and Varsity teams worked hard to become versatile, all-around athletes who could compete at a number of various positions. Halfway through the season we suffered the loss of four-year varsity starter Kristen Dooley, due to a game related injury. With only ten able players, the varsity team welcomed the youthful talents of freshmen Diana Sutherland, Danielle Scanlon and sophomore Alicia Maillet, as well as the experienced efforts of juniors Katie Monaghan and Amanda Micco. This year the WHS softball program graduates seniors Kim Canty, Tiffany Cripps, Kristen Dooley, Michelle Torres, and senior co-captains Jen Davis and Andrea Macdonald. though we did not qualify for the tournament, we're sure that the youth of the team this year will lead to a promising season next year, and wish Coach Burke and the girls the best of luck!

Boys Outdoor Track

From day one there was talk of becoming GBL champions for the first time in a decade. With only having one loss the year before and having every returning senior back on the team, we knew we had a chance. It was all up to who wanted it more. Each practice took its toll, pushing us harder and making us faster. We all had our jokes and laughs, most likely the best times of our lives. But when it came to the race in front of us we were ready, pushing each other to go faster, higher and further. With all the talent we had on the team it was no wonder it came easy for us, it was no wonder why we goofed off so much and it was no strain of luck why we became Outdoor Track GBL Champions of 2007.

The girls outdoor track and field team had high hopes coming into this season with many returning upper classmen, and a very promising freshman class. Lead by Senior Captains, Jen Nicoloro, Priya Patel, Jasmin Washington, and Deborah Caruso, as well as returning seniors Justine Kane, Liz Donlon, and Krista Gladman we had a very successful season, with only one, very emotional loss to Peabody for the GBL title. Overall the girls track team went 6 and 1 in the Greater Boston League. Along with a great season, and much deserved team wins verses Somerville and Cambridge, we also had many individual highlights. This season, nine of our teammates qualified for states. Seniors Jasmin Washington, Deborah Caruso, Priya Patel, and Krista Gladman, Juniors Nicole Rigoli, Courtney Keefe, and Trisha Vasquezi, and Freshmen Sabrina Zotolla and Olivia Creonte. Freshman Sabrina Zotolla also went on to break one school record and one freshman record this season. The graduating seniors wish the best of luck to next years team!

Waltham Tennis was never big on the map at Waltham High. The teams in the past have been medicore, but as each season passed by, the Waltham Boys' Tennis teams have slowly but surely built its reputation through effort and teamwork. At the start of this season, our team was losing every game and fell to a low 0 and 6. It was then when the players finally realized they wanted to do more than go to practice and play a game or two. We wanted to fight and earn a respected spot on the team. However, another unexpected struggle hit when our coach left the team for several weeks due to a leg injury. Our guys continued to work hard to gain their way up without Coach Boxer. Every team member contributed in one way or another and ended the season with a surprising but great 6 and 10 score with their determination and perseverance for success.

The 2007 girls tennis team, coached by Lori Casinghino, had one of its most successful seasons ever. Through the help of a new, talented and devoted coach, the team placed second in the GBL with a record of 14 wins and 2 loses and made it to the state tournament. Second singles player Olga Dolgapolova ended the season undefeated at 16 and 0 and senior captain Laura Sabatino finished her four year run as the hawks first singles player with a record of 14 and 2. The team, lead by senior tri-captains Laura Sabatino, Dory LeCount, and Alyssa Centofanti, came together through each team members outstanding hard work and love for the game, turning us into more than just teammates, but rather into friends. I know next years captains Olga Dolgopolova, Julie Auld, and Clair Weatherby, will continue to be magnificent role models to the underclassman and will lead the team to numerous victories. The seniors would like to thank all of you, especially Coach, for making this past season such a great experience and a most cherished memory. Good luck next year, GO HAWKS!
